Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.  
This chart shows the fund's performance as the percentage loss or gain per years over the last 10 years against its benchmark. It can help you to assess how the fund has been managed in the past and compare it to its benchmark.

Performance is shown after deduction of ongoing charges. Any entry or exit charges are excluded from the calculation.
